UHRC,

Yesterday, CD1 was notified by Trammell Crow Company that they will start construction of 318 unit housing on Tuesday, February 26 at 130 W. Lewellyn St between Main St/ Rondout St.

The project Traffic Control Plan (TCP) has been approved by DOT to install the K-Rail and post signage on both sides of Llewellyn Street that contain the following items:

- * Pursuant to Permit # (TBD)
- * Effective Date
- * Reason for TCP: New construction of 318-unit project
- * Language that affirmatively states that anyone present after posting of the signs will be subject to 'cite and tow'.

Project schedule is as follows:

Re: CD1 Request for 2/26 Clearance of Encampm...

- * Obtain permits by Friday, 2/22 (done)
- * Post signs by Friday, 2/22 (done)
- * Install K-rail on Tuesday, 2/26

CD1 needs LAPD/ LASAN support to clear the numerous encampments on Lewellyn St between Main St/ Rondout St. that are currently interfering with the scheduled K- rail installation on Tuesday, February 26.

Please let me know we can count on support and coordination by UHRC and what you need from CD1.

I look forward to your response and assistance.

Thanks,
